

## Storytelling

- Recall an incident in which you first became aware of differences. What was your reaction? Were you the focus of attention or were others? How did that affect how you reacted to the situation?
  
- What are the "messages" that you learned about various "minorities" or "majorities" when you were a child? At home? In school? Have your views changed considerably since then? Why or why not?
  
- Recall an experience in which your own difference put you in an uncomfortable position vis-à-vis the people directly around you. What was that difference? How did it affect you?
